Notification RE: Tamper-Evident Seal Color Change - LAL Reagent Water (LRW)

Dear Valued Customer,

This message is for your information only; no response is needed. We would like to inform you of a change to the tamper-evident seal on bottles of LAL Reagent Water (LRW). The seal color will change from clear to blue.

This change affects the following catalog numbers:
WP050C, WP100C, WP500C, and WP1000C.

This is a cosmetic change only and does not impact the form, fit or function of the product.

If you have any questions, please contact us at info@acciusa.com.

Sincerely,

ACC – Product Support Team
